

Art & Craft Fair

Saturday October 15

8:30 a.m. – 4:00 p.m.

White Rock Baptist Church

Hello to All,

My sincere apologies for this short notice which is the result of unexpected changes to scheduling

This year's Meat Pie, Curry and Sholay orders are being accepted from now until September 28th. Unfortunately, we cannot accommodate orders after that date. As you all know, food prices have increased considerably this past year and so we regret it has been necessary to increase ours, as well.

All food orders can be picked up on October 15, the same day we are holding our Art and Craft Fair. As part of this ZGS Fundraiser event, we are hoping you will collect your food order and then take time to look around and support our work with a purchase or donation at the art and craft sale.

This will be our final Art and Craft Fair—just as we had our final dinner fundraiser and final garage sale. HOWEVER, this is not the end of our ministry! Next year I will be approaching 75 and Frank 81 and so this marks only the end of the physically demanding aspect of fundraising for us.

Looking into the future, we still plan to hold events to present our videos and pictures and to tell you the ZGS stories to encourage you to continue supporting this valuable work. Newsletters will be sent out, per usual, and tax receipts will still be given. Please don't hesitate to contact me if you have any questions.

To place your food orders (pies, curry and Sholay), please e-mail them to me at:

zimbabwegecko@gmail.com

Once again, please place your orders before September 28 and then come out to enjoy and support our work with a purchase or donation at our art and craft sale.

Susan Janetti

Founder, Zimbabwe Gecko Society
